Bay West Awarded Washington and New Mexico Environmental Remediation Services Task Orders by the US Army Corps of Engineers-Omaha District

ST. PAUL, MINNESOTA—**Bay West, Inc.**, an environmental services company, announced that it has been awarded two Environmental Remediation Services (ERS) Contract task orders by the US Army Corps of Engineers, Omaha District. Bay West will perform RCRA Corrective Measure Implementation at Cannon Air Force Base in Clovis, NM and Munitions and Explosives of Concern (MEC)-related work at the former Naval Ammunitions Depot (NAD)-Puget Sound in Bremerton, WA. The task orders are valued at approximately \$1.1M.

These task orders were issued under an Omaha District ERS contract, a contract mechanism that allows Bay West to be accessed by Omaha District customers in the continental United States. *“Our ability to successfully manage this nationwide contract is a testament to what a Small Business can do with efficient, highly skilled resources and valuable subcontractor relationships.”* said Marty Wangensteen, Vice President of Bay West’s Federal Programs. Projects to be performed under this contract encompass the full range of environmental services from site characterizations and investigations, to design and engineering, to remediation and site closure.

Bay West provides environmental, industrial, and emergency services to commercial and government customers nationally.
